

Core Seminars at Capitol Hill Baptist Church

One of the best ways we can help the children be well-parented and well-taught, is to teach their parents well. At CHBC, this comes in a number of forms. The main form is expositional preaching and thoughtful worship during the worship services. This is supplemented by small groups and inductive Bible study as well as what we call Core Seminars, the adult education hour at CHBC.

Core Seminars are held for all adults and cover a wide range of topics. While the parenting class may particularly help parents in their parenting, all the classes help teach parents truths that they can pass on to their children.

Below is a listing of Core Seminars from the CHBC website: [capitolhillbaptist.org](http://www.capitolhillbaptist.org). They are resources we are happy to share. Visit the website for more information. New courses are regularly added. Please check back for updates. Link: <http://www.capitolhillbaptist.org/resources/core-seminars/>

Styled as lectures, the teachers seek to communicate truth in the Seminars while encouraging more interaction with the material in outside conversations. Ideally, attendees of the Core Seminars begin with the Basics track and follow the rest through to the end, acquiring a comprehensive Christian education in a few years’ time.
