
Deep Down Detectives ESV Songs 13 Track Numbers

This is a listing of all songs mentioned in the unit curriculum. You may or may not choose to use all of the songs. They are listed in easy-reference order--NOT in the order used in the curriculum. You may choose to simply burn a CD/load them onto an mp3 device in this order. Or, you may want to do what we do: choose the songs we want to use and create a playlist of them in that order. Then, we burn a CD/upload the playlist onto an mp3 device. A teacher only has to click forward to the next song, instead of hunting for the right track. The track number have been included as part of the title of each song, teachers will still have a reference to the track number listed in the curriculum (same as those listed below), even if you change the order on your customized playlist.
