

This (and the Praise Factory Tour: Extended Version book) is great to give to church leaders or other prospective teachers who want to know more.

 <p>DEEP DOWN DETECTIVES</p> <p>designed for ages 4-6, often used with ages 3-7</p> <p>the second of 3 curriculums in the Praise Factory family</p> <p>downloads and hard-copies available through www.praisefactory.org</p>	<p>DEEP DOWN DETECTIVES SESSION OVERVIEW</p> <p>Session Format: Circle Times, Free Play and Your Choice of Activities Each session is structured around Circle Time and Free Play Time. Circle Times are used to introduce and review the concept, Bible verse, Bible story, and the ACTS prayer. (A prayer including Adoration, Confession, Thanksgiving, and Supplication related to the Bible truth they are learning.) Free play is not only enjoyable, but helps to replenish attention spans and prepare the children for more group listening later in the session. However, every session includes lots of response activities that you may choose to use during free play time to add as much reinforcement as best suits your children. Each Deep Down Detectives session follows the same four-part format, as described here:</p> <p>PART 1: Getting Started A time to welcome the children to the class, enjoy free play, music, and/or play a Bible verse game.</p> <p>PART 2: Opening Circle Time The children are gathered together for their primary teaching time. The Big Question and Bible Truth (and related songs) are introduced. A listening assignment* is given, the Bible story told, then the listening assignment answered at the end of story time.</p> <p>PART 3: Free Play/Activity Time The children participate in free play and/or response activities.</p> <p>PART 4: Closing Circle Time The children gather together for a brief review of what they have learned and a closing prayer. Teachers give out take home sheets as children are dismissed.</p> <p>*As with the other two Praise Factory curriculums, Deep Down Detectives has a few detective-ish elements to it. (1) There is the "Big Question Briefcase" that contains the key concept visual aids and the Bible storyboard pictures that the teacher uses as he teaches. And (2), Each story is called "The Case of the" and comes with "Detective Dan's Listening Assignments." These are listening assignments to be solved as the children listen to the story. There are 3 different listening assignments--one for each of the 3 sessions of curriculum included with each Deep Down Detectives Bible Truth. These questions are especially good for use with three-year-olds or older preschoolers.</p> <p>Session Length The resources for each Deep Down Detectives session-- as described in the lesson plan--are designed for a 60 to 90 minutes session. However, they can be easily tailored them to fit a shorter or longer session.</p>
<p>DEEP DOWN DETECTIVES... AT A GLANCE</p> <ul style="list-style-type: none"> Teaches the 16 Biblical (theological) themes used in all three Praise Factory curriculums, but in greater depth than in Hide 'n' Seek Kids. Each of these themes is presented as a "Big Question and Answer." Each theme is taught as a series of Bible truths that develop the theme. There are 69 Bible truths in all. There is one Bible story and one Bible verse for each of the 69 Bible truths. All of the Bible verses are set to music, which can be a great aid in learning and remembering them. There are three sessions of curriculum per Bible truth. Use as few or as many as you want. Each is jam-packed with activities. The multiple sessions give children the time they need to really learn each truth. The new activities keep the learning fresh each session. The curriculum for each Bible truth comes with a fully-scripted lesson plan, beautiful storyboard pictures, games, crafts, take-home sheets, and lots of music. The curriculum is flexible and is easily adaptable to many different teaching settings. Both downloads and hard copies available. 	

Note: *If desired, you can start out each of the 16 units of Deep Down Detectives with one session (or more) from Hide 'n' Seek Kids curriculum. This creates a nice introduction to the over-arching theme for each unit. It would also add 16 or more sessions to the curriculum.
