Introducing the Craft:

"Our Big Question is: 'Can Anybody Tell Me What the LORD Is Like?' We've learned that 'He's Not Like Anyone Else... He God the Father, Son, and Holy Spirit: One God, but Three Persons.' That's what our pictures are about today! They remind us about this amazing truth about God. He really isn't like anyone else, is He? That's something very good to know, but many people don't know that. So do you know what God wants us to do? He wants us to go and tell others this very important news. So today we are going to make something we can go and tell them, too. Here's what it looks like...(Hold up example of craft)

Directions

1. Show children your finished craft, reading the words to them.
2. Have the children color in the hands. They can add fun details like colored finger nails and rings.
3. Have children (or you) cut out the hand after they are finished decorating it.
4. The "One" Hand: have the children (or you) fold down all fingers and the thumb EXCEPT THE INDEX FINGER so that they meet. Tape/staple together the folded down fingers/thumb.
5. The "Three" Hand: have the children (or you) fold down the index finger and the thumb so that they meet. Tape/staple together the folded down fingers.
6. Tape down craft stick to the BACK side of one of the signs, letting enough of the stick to hang down from the sign to make a nice sized handle.
7. Glue the back side of the PALMS ONLY to the center of each sign. (The Three Hand goes on the Three Persons sign; the One Hand goes on the One God sign.)
8. Place the back sides of the signs together and secure them together, using tape/staple around edges.
9. Make sure to write each child's name on their craft.

Discussion

This is an especially good time to re-read the key concepts and discuss them. See the Deep Down Discussion Sheet for possible questions to talk about.

Craft Wrap-Up:

At the end of our time together today, you get to take home your Go and Tell crafts. And what are you going to do with them? Show and tell someone the important news you've learned today. Hold up the signs and say the words together, flipping them around from the front to back side as you say the corresponding words.
