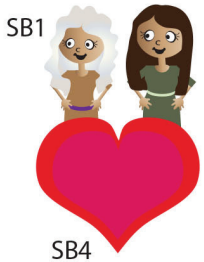
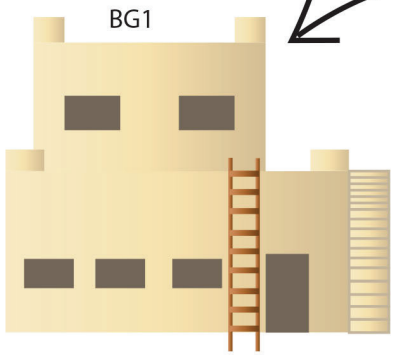
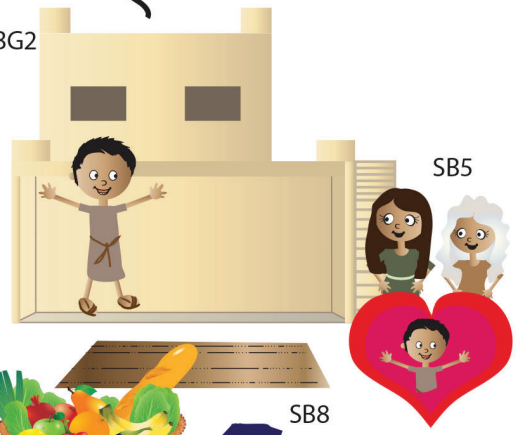
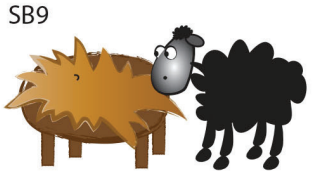
Note: Use sticky tac putty rather than velcro on back of pictures placed on top of other pictures.



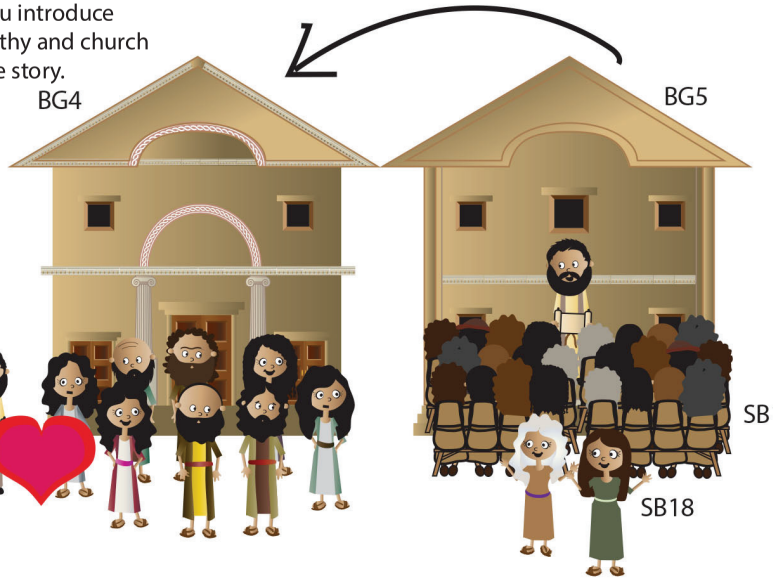
Start with outside of house on top of inside of house with bed and Timothy inside. Remove outside of house as you introduce Timothy in the story.







Start with outside of church on top of inside of church with Timothy and people inside. Remove outside of house as you introduce Timothy and church in the story.



NOTE:
Some of the larger images are assembled from two or more pages. You can make these easier to fold by leaving a small gap in the lamination between the pieces. This allows you to fold the image along the gap.

leave slight gap here
to create a “hinge” for
easy folding
