

## Oh, How I Love Jesus

### Verse 1

There is a name I love to hear,  
I love to sing its worth;  
It sounds as music in my ear,  
The sweetest name on earth.

Oh, how I love Jesus,  
Oh, how I love Jesus,  
Oh, how I love Jesus,  
Because He first loved me.

about this hymn:

Words: Frederick Whitfield Music: Traditional American Melody

Long ago, a man named Frederick Whitfield was thinking about this Bible truth, too. He wrote the words to a hymn called "Oh, How I Love Jesus" We're going to learn a verse from it.

Through Jesus, God loved His people before they loved Him. He loved them while they were still sinners. He loved them even before the creation of the world. This makes God's people so happy! They know that their sinful hearts would never choose God if He had loved them and chose them first. They know without God choosing to send Jesus to save them from their sins, they would never ever know God. This makes the name of Jesus the sweetest name on earth.

## For He Chose Us

For He chose us in Him before the foundation,  
Before the foundation of the world,  
To be holy and blameless in his sight,  
Yes, he chose us before the foundation of the world.  
In love he predestined us to be adopted for Himself,  
Through Jesus Christ,  
According to His will and favor,  
Yes, In love He predestined us.  
Ephesians One, four and five.

about this Bible verse:

Words adapted from Ephesians 1:4,5, ESV Constance Dever © 2012

God loved His people long before they loved Him. He loved them and chose to adopt them as His people, even before He created (founded) the world. Why did He do this? Because it pleased Him to do it! It would show how wonderful He is and how great the good gifts He gives His people because of Jesus. We think of what He's done and we praise Him for being so good to people like us. People who are sinners, but through Jesus, are made to be holy--without sin and without blame in His sight.
